## New Activity Directors at Fremont Fountain View

New staff changes in our activity Department Fremont Fountain View.

I would like to introduce myself and let you know that I am very excited to be taking over as the Activity director here at Fremont Fountain View.

My name is Jeff

Wellman and I have been employed here at FFV for the past year as one of the cooks in the dietary dept. I also hold our Sunday Church services for the FFV residents.

I am a Fremont resident and I am married with 9 children. I was a Children's Pastor and worship leader for several years, I also served four years in the Marine Corps.

I enjoy singing, photography, raising chickens and outdoor activities.

I am joined by Nicole Wandzilak as my co-director. Nicole has been employed here at FFV for the past 3 years as a Resident Care Specialist.

Nicole is married with one daughter and she enjoys photography, scrapbooking, drawing, fishing

Nicole and I are very excited about our new positions and look forward to working with the residents.

One focus that I am excited about is the introduction of many new activities for our memory care residents. We have already implemented some of these new activities and are pleased with the enthusiasm from both residents and staff.

## November Resident of the Month

Our November resident of the month is Patricia Vandenberg

Pat has been participating in some of our new memory care activities and has shown us such a

positive attitude.

Pat also attends our Church services faithfully and does not hesitate to add her knowledge of Jesus during the message. It is a joy to watch Pat worship Jesus during the worship part of the service.

CONGRATULATIONS PAT! Job well done!
